New brochure available

In order to summarise major congress advances, a new leaflet has been edited summarising a number of the most recent congress milestones. The leaflet available for [download](#), reminds readers about the call for abstracts, dates and deadlines; announces Plenary, Topic Plenary and Invited speakers, recalls congress Themes and Topics and is being distributed across Europe for use.

Remember that Call for abstracts is now open

You too can participate! There will be plenty opportunities for contributed papers and posters. Guidelines, information for authors, submissions and important dates are published and detailed in... [Read more](#)
Access the [Abstract submission form](#) already available in the congress website. The online abstract submission deadline is April 1st, 2016.
